Message From The President

As you can see from the front page, the WKCA Membership drive has started, and I want to thank those who have already sent in their forms/dues and supported us over the years. The last couple of years have been very trying for us all, especially for the Civic Association. Unfortunately, if we are not able to obtain our goal of 50%-55% (244-268) 2025 membership/dues, the Civic Association may be forced to increase our dues to keep up with higher cost. On a positive note, the civic association has updated our website to not only allow electronic payments from Pay Pal, but residents can update their form on line and it will automatically update our database, plus you can log in and review and edit your data, and check your individual status. Each resident will only be able to see their own data. You need to log in at our Website, <http://wknolls.net> and go to the Resident log in/update page. It's very important that we have your correct data in order to send you updates. Besides the printed March newsletter, all other WKCA Newsletters will be delivered electronically to save money.

The WKCA and OHECA will host a Community yard sale in conjunction with Orange Hunt on May 17. In addition, we are investigating the ability to have lights at our sign on Huntsman; joint shredding event; and a joint dumpster day. I ask that you take a few minutes to fill out/update your membership form on line or mail it in. The WKCA can only continue to provide the services, for both owners and those renting a home in the community with your support. It's a small price to pay, with a big return.

Again, thank you and I want to emphasize that Winston Knolls is a great community to reside in, and I wish everyone a great spring and summer.

WKCA Needs Volunteers

The civic association have several officers/Chairmen that have held their position for over 8-13 years, and we are in need of "young/new blood". The board is seeking new volunteers to turn over their role to someone new. The board meets approximately 4 times a year during September through May. Some of the jobs only take a total of 4/5 hours for the total year. Please contact me to learn more about the board and the role you could fill as a volunteer for the community. No prior experience is necessary, and this is a great way to give back to the community.

Pack 685 Holds Annual Blue and Gold Banquet

I attended Pack 685's Annual Blue and Gold Banquet in February and presented checks from both the WKCA and the Winston Knoll II HOA, to help with their activities. The Civic Association is the sponsor for the Pack, and WKCA is very proud to be associated with such

an outstanding organization. As usual, the banquet was fun and an eventful night. I am proud to state that we are fortunate to have one of the best Packs in the area, if not the state. This is due to the Pack/Den leaders, parents, and of course the scouts themselves. At the event, 19 of the cub scouts participated in the Arrow of Light ceremony, these are Cub Scouts who have completed the Webelos rank and prepare to become BSA Scouts. The award is significant in the Scouting experience, so significant it is one of the only Cub Scout badges that can be worn on the BSA Scout uniform. Arrow of Light is its own rank, making it a milestone in a Cub Scout's growth!

FREE SHREDDING EVENT

On March 29, 2025, from 9:00 AM to 11:00 AM, there will be a FREE Community Paper Shred & Food Drive at Christ Church, 7600 Ox Road, Fairfax Station, VA 22039.

Please Keep your Yard and Street Neat

We ask all residents to remember to remove your trash cans from the street and store them accordingly once they have been emptied. Letting the trash cans sit in the road empty overnight or for several days is not recommended. Also, if you have branches or lawn trash -- please ensure that you properly tie up or bag the yard debris for pickup. If not, the debris will not be picked up by your trash company and blow away in the street, ending up clogging one of the many storm drains.

List With Elizabeth®.com

"Your Neighborhood Real Estate Expert"

We are very delighted to recommend Elizabeth to anyone who wants to sell or buy house in the Springfield/Burke areas. My wife and I found Elizabeth from our online search for real estate agents who are specialized in Springfield VA. She stood out as a top-rated one. Our first phone call with her convinced us that she was the right one. The rest of the story was amazing. She had our house under contract in less than a week and sold smoothly a few days after! Here are the impressive highlights you want to know about Elizabeth. She knows the market and how it operates extremely well (for sellers and buyers). She is masterful in getting the property to hit the market with professional and attractive staging, comprehensive coverage of the key features of the house and its local attractions, appropriate pricing (a very critical decision in this process), and the timing of the listing—striking the iron while it is hot. On a personal note, Elizabeth is exceedingly pleasant to work with. She told us at our first meeting that she would treat us as her only customer when she was working with us, no matter how busy she would be. Indeed, we knew that she was having several other listings in the making at the same time; but she gave us all her attention and made our selling seamless. Elizabeth is very dynamic and very well organized. Her team is remarkably efficient and friendly. Together, they made their business an enjoyable experience for us.

BEWARE OF SCAMS

Urgent or Threatening Language. Phishing emails and texts often create a sense of urgency or fear to make you act quickly without thinking. Messages that say things like “Your account will be suspended!” or “Immediate action required!” are designed to panic you into providing sensitive information. **WHAT TO DO:** Always pause before reacting. Legitimate companies, especially banks, will never pressure you with threats or demand immediate action. If you’re concerned, contact your bank using official contact details—never contact the information provided in the suspicious message.

Suspicious Links. One of the most common tactics in phishing scams is including a link to a fake website that looks almost identical to a real one. These websites are designed to trick you into entering personal information, like passwords or account numbers. However, a close inspection of the link often reveals a strange or misspelled URL. **WHAT TO DO:** Hover over the link without clicking on it to preview the URL. If it looks unfamiliar, has odd characters, or isn’t directly related to the company, don’t click it. Always go directly to the company’s official website by typing the URL into your browser.

Requests for Personal Information. Legitimate businesses, especially banks, will never ask for sensitive information like your password, Social Security number, or PIN via email or text message. If a message asks for this information, it’s almost certainly a scam. **WHAT TO DO:** If you receive an email or text asking for personal information, delete it immediately. Never respond or provide the requested information. If you’re ever in doubt, call your bank or visit their official website to confirm if any action is required.
